A Letter Regarding Our Commitment to Excellence

Date: April 20, 2026
Subject: Ensuring the Highest Standard of Music Education

Dear Parents,

Over the past three years, the mission of **Music Prodigy** has remained clear: to bring elite-level music education directly to your home. It has been a privilege to watch our students evolve from hesitant beginners into confident performers, and the commitment to their musical journey remains the driving force behind everything.

The Pursuit of Excellence

To maintain the quality of instruction and ensure the retention of top-tier mentors, Music Prodigy is continuously evolving. Providing a premium, home-based learning experience requires constant reinvestment into the tools, talent, and resources that make high-level progress possible.

Sometimes, the complexities of logistics, curriculum development, and administrative support are overlooked. To ensure that every student continues to receive the caliber of instruction they deserve, the Academy is transitioning to the **2026 Professional Standard**, effective April 20, 2026.

The 2026 Academy Upgrade: What's Included

We are moving from "lessons" to a complete **High-Performance Ecosystem.** Here is the full breakdown of the resources and benefits now included in your enrollment:

Visual Summary here: https://musicprodigy.uk/add-ons

• The Protege Framework • Adjudication 3.0 • Teacher Tech Upgrade • Existing Digital Perks • YT Personal Playlist Vault • Student Learning Toolkits • Meritrix Program	• Public Grouped Recitals • Music Gala Access • Parent-Student Portal • Tied Academic Calendar • Privileges Perks • Generous Credit Program • Exclusive Digital Access

A Commitment to Integrity

Integrity is the foundation of the Academy. The pursuit of being the best in the marketplace requires constant reinvestment. Maintaining the promise of excellence is not possible without these operational updates, as the focus remains solely on the progress and success of every student enrolled in the program.

Loyalty and Transition

The dedication shown by our families is highly valued. To honor this relationship, the following transition plan is in effect:

- **Rate Protection:** Current contracts and rates remain in effect until the date of expiration.
- **Loyalty Renewal:** Upon renewal, all existing families will be automatically transitioned to the **Annual Discount Rate.** While this rate is typically reserved for full annual payments, this benefit is extended to current families on a standard monthly payment schedule.
- **All-Inclusive Access:** All travel, Success Kits, and reward materials are now fully covered under the standard tuition, with no additional fees.

Next Steps Attached is the 2026 Policy Handbook. Please review the updated academic calendar and the grade-specific tiers.

Thank you for the continued partnership and for the opportunity to contribute to your child's development.

P.S. *The absolute last thing I ever want is for any student to have to stop their music because of these changes. If the new setup feels like a stretch for your family right now, please just reach out to me directly. We'll find a way to make it work so they can keep playing.*

Sincerely,
Scott Carson - MP Chief Executive
